

“VALUE ADDED” KING SOOPERS GIFT CARDS
The easiest way to raise money for Shelton, without spending an extra dime!

If you shop at King Soopers, please consider purchasing a \$5 King Soopers "value added" gift card from Shelton's PTSA! Every time you add value to the card, 5% of the amount loaded is donated to Shelton!!! So while you are shopping for Groceries (or filling your gas tank at Loaf n' Jug), you can be helping Shelton! Now that's multi-tasking!

How does it work?

1. Buy a \$5 King Soopers gift card from Shelton PTSA.
2. **Add value** to your card.
3. Use your gift card at King Soopers to purchase merchandise or gas.
Add value to your card again and again! It's super easy and fast. You can add value onto the card as often as you like at the checkout stand using any of the methods you normally use to pay—credit or debit card, check or cash.
4. King Soopers donates 5% of the added dollar amount to Shelton PTSA. For example, if you add \$100 to your card, The Kroger Company will donate \$5 to our school!
5. It's automatic so no need for you to do anything other than shop as you normally would. Family and friends who live in other cities or states can also use the gift cards at any King Soopers or their affiliate stores.

The more you use and add value to the card, the more money the Kroger Company donates to our school! So far during this school year, we have been able to grant **over \$16,000** to our school to be used towards items our school would not otherwise be able to purchase, such as computer equipment, curriculum and rewards for students and teachers!

Yes! I'd like to purchase a VALUE ADD \$5 gift card so Kroger will donate 5% of my Grocery and Gas purchases to Shelton each time I add value!

MY NAME _____

MY STUDENT'S NAME _____

GRADE: _____ **TEACHER:** _____

AMOUNT ENCLOSED: _____ **# GIFT CARDS I WOULD LIKE** _____
(\$5 per card)

Cards will be sent home next Friday with your child's Friday Folder! Thank you for supporting Shelton!
