

Community News - October 2022

News, Events, Celebrations, and Things Worth Sharing

We reached our goal to raise \$25,000 for the Shelton PTSA 2022-23 general budget! This would not have been possible without our community's amazing support.

This means each grade will receive an additional Art-Music-PE (AMP) school bus field trip this year!

It also means the PTSA can provide classroom and staff grants, school garden and outdoor classroom support, event funding, field trip and afterschool enrichment scholarships, library funding, and more.

We will announce the final classroom participation results and which class won the traveling trophy very soon!

Reflections Art Contest

Shelton is excited to participate in this year's National PTA Reflections Art Program. **The theme is "Show Your Voice"**. All Shelton students are welcome to participate and express themselves through one or more categories of art - **visual arts, photography, literature, music composition, dance choreography, and film production.**

Students will bring their art to school to be displayed in early November, details coming soon. Entries will be recognized at an artist's reception and winners are eligible to move on to the Jeffco Reflections competition. Students who identify as having a disability may receive services under IDEA or ADA: Section 504 and may enter in the Special Artist Division or grade division most closely aligned to their functional abilities.

Visit www.pta.org/home/programs/reflections

Chow Down for the Coyotes

We have two dine out events in October to raise funds for PTSA programs:

Shelton Happy Hour at Coda Brewing

October 13th from 3PM to 9PM - 10% of proceeds. Kids are welcome and Ninja Ramen Mobile will be on site. The more the merrier!

Lil Ricci's Pizza

Halloween Weekend October 28th through 30th - 20% of proceeds.

For more information, visit SheltonPTSA.org

Save the Date for STEM Fair!

This year's fair will take place December 1st. Start talking to your student(s) about what Science, Engineering, or Research project they may want to do.

STEM Club will begin in November.

More information to come soon!
