

VOLUNTEER CLASSIFIEDS

Introducing the Shelton Volunteer Classifieds! The Shelton Volunteer Classifieds has been published to get the word out periodically about opportunities that are currently available so that all parents have a chance to get involved in something that interests them. The more volunteers that get involved, the stronger our Shelton community will be!

And, even if you are busy, if you are able to donate a few hours a month to help out, please consider taking on one "thing". Your "thing" may be volunteering in your child's classroom, planning classroom holiday parties, or organizing an event. There are so many different ways to get involved. So peruse the jobs that need volunteers currently. If one of them is good fit for your "thing", please get in touch with the contact person. **Thank you!**
